**Flame**

HOT WATER SYSTEM

Compatible with  
ALL makes of  
Pure Water Systems

**Brodex**

# Why not convert your cold system to hot?

**MASSIVE  
1 YEAR  
Guarantee**

## Constant Hot Water whenever you need it...

Built from top quality materials, this robust Hot Water System will revolutionise your water fed pole cleaning business.

Simply switch on and connect your hose and, in a few minutes, you have a constant flow of hot water, which will increase your efficiency and profit (speeding up the cleans) and reduce your running costs (reduction in water usage).

The 'Flame' Hot Water System enables you to tackle more stubborn cleaning jobs & builders cleans, by heating the Pure water it increases its already powerful cleaning ability and it adds other services to your list that you can profit from:

- Cladding cleaning
- Signage cleaning
- Conservatory cleaning
- Garage door cleaning
- Car, Boat and Caravan cleaning...

## Installation Duration: One day

Our engineers safely mount, wire up and plumb the system to the diesel supply of your van; we then rigorously test the system and calibrate the temperature ready for operation.

## System Compatibility

Now Everyone can have a Hot Water Cleaning System at affordable prices

The 'Flame' Hot Water System is compatible with **ALL** Brodex Systems and **All existing Pure Water Systems**, even the DIY (frame and tank) types.

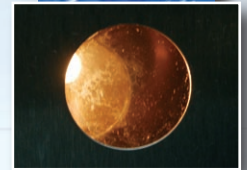

**Brodex  
LIFETIME  
SUPPORT  
PACKAGE**

Everything you need for your pure water fed pole business

[www.brodexbms.co.uk](http://www.brodexbms.co.uk)

Simple LCD controls

Flame observation window

Remote operating panel

Securely mounted

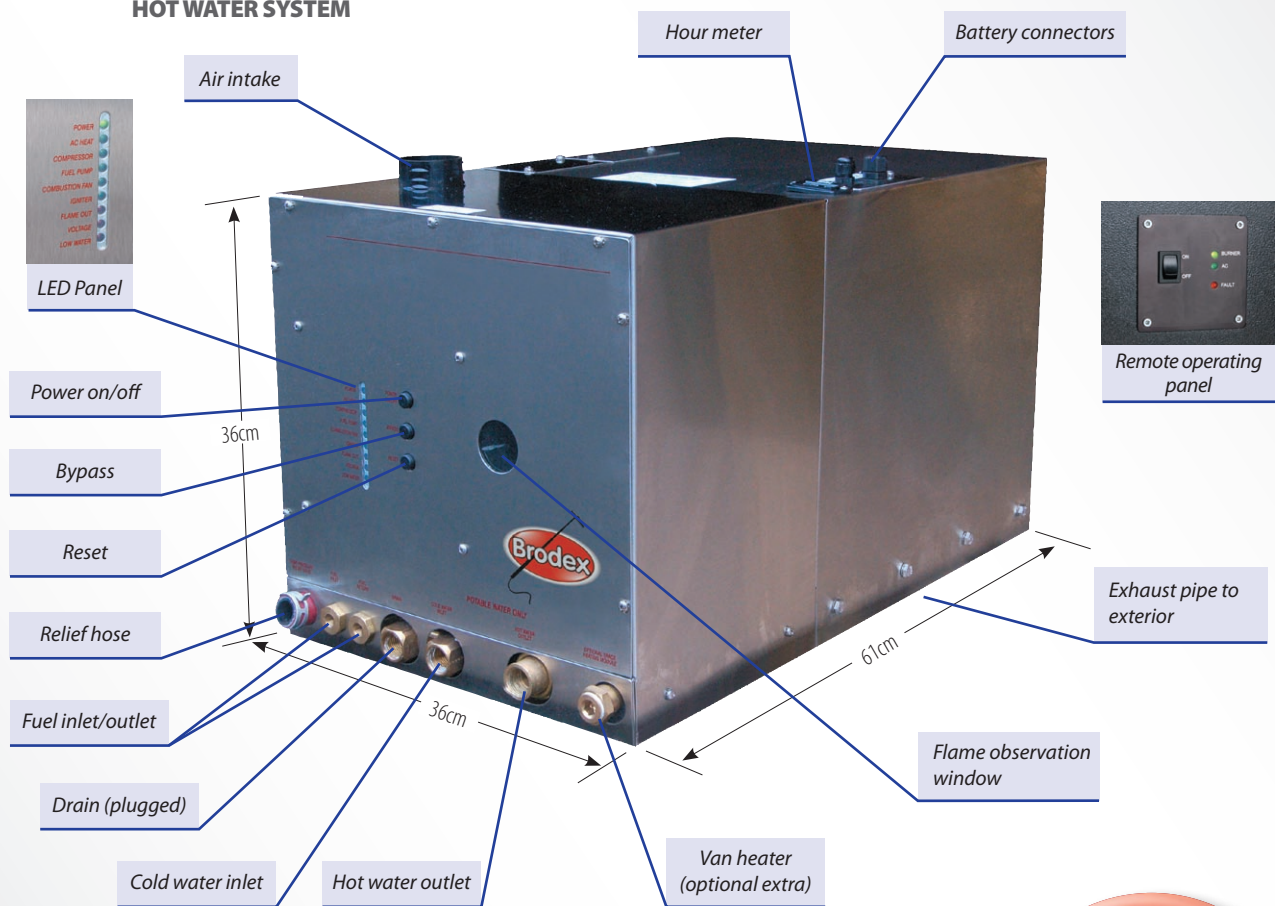

Small footprint

Rapid drying time

## Frost Advice:

Avoid letting your system freeze, as this may cause expensive damage, resulting in items needing replacement.

**1 DAY install**  
to have you out on the road the very next day and earning money\*
